## What a Great Place to Own a Motorcycle.

Here in Chester County Pa and the surrounding area we have some of the most beautiful riding in the United States. Chester, Lancaster, Montgomery and Bucks counties are rich in history and picturesque views. Nowhere else in the United States can you find yourself better located to enjoy all this country has to offer. Whether it be the Pocono Mountains, The Atlantic Shoreline, the Brandywine Valley or the history rich Valley Forge Area, we have it all.

## Organized Rides and Events all Year-Round

Our ride planning starts in January when the snow is still on the ground. Over the course of the spring summer and fall we will have organized rides that will range from an hour to multiple days exploring from Niagara Falls to the shores of the Outer Banks and all points in between. We are not all "Road Trips". Our rides cater to riders of all skill levels. Dinner Rides on a warm summer evening are offered too. Attending a meeting might allow you to meet other local riders and formulate your own trips. We all have the love of riding in common. Here at Eagle HOG or motto is always

**"Ride Safe and Have Fun".**

## Supporting Charities within the Community

There is no better way to help your local community than through your involvement with the Harley Owners group. Local Food bank donation runs, the MDA Ride for Life, Poker Runs benefiting a wide range of good causes.

And let us not forget our men and woman in uniform. Eagle Hogs' Operation Eagle Flies directly aides and comforts our proud soldiers stationed throughout the world with comfort items, books, treats and greetings from home that mean so much to them.
